Marshall Bazaine was in Metz, and the horses belonging to a number of his staff were kept saddled and standing before the hotel, but no move had yet been made.

AT STRASBURG.

Marshal McMahon's headquarters were at Strasbourg, and a strong French force was massing to prevent a surprise through the Vosges defiles. Troops were pouring into Strasbourg from Belfort.

THE FIRST BATTLE.

Everything indicates that the great blow will be struck in the vicinity of Strasbourg, and a great force has already arrived at Strasbourg, all of which has been transported by railroad.

SHARP SKIRMISHING.

The following skirmishes have been received from Saarbrück via Berlin on Sunday: a body of Prussians crossed the frontier at Saarbrück. They penetrated into the country several miles, and at length found the French in considerable force near Gersweiler. Sharp skirmishing ensued. The French soon retired, leaving 10 killed and wounded. No loss on the Prussian side. The action has demonstrated that the Prussians are superior to the French.

A FRENCH CUSTOM HOUSE CAPTURED.

Subsequently a company of the Prussian 20th regiment captured a French custom-house at Spicheren. The officers of the custom-house made a stout resistance, and were all either killed or wounded. One Prussian officer was slightly wounded.

THE AFFAIR AT CARLING.

In the affair at Carling, Saturday, when a Prussian reconnoitering party crossed the frontier and were encountered and repulsed by the French, the Paris papers claimed that the Prussians lost two killed and fifteen wounded, while the chasseurs had only five men wounded.

The two Prussian soldiers killed were left on the field.

SPAIN.

TREATY BETWEEN FRANCE AND SPAIN.

MADRID, July 25.—The exchange of a treaty offensive and defensive between Spain and France is denied by the ministerial organ here, but reiterated by other journals, nevertheless.

GLOOMY.

NEW YORK, July 25.—The Tribune has the following from London:

"The special correspondent of the Tribune in Paris writes on Sunday evening: 'Never has war been undertaken by France with less enthusiasm or more distrust of success.'

The crowds on the boulevards ready to die for their country, have disappeared; troops marching through Paris to take trains for the seat of war, traverse the streets without eliciting a single cheer; soldiers joining their regiments walk about in groups almost all drunk. The bourgeois stare at them, and shrug their shoulders. The situation could not be more melancholy were the Prussians at their gates."

HAIR RESTORATIVES.

NEW DISCOVERY!!

PHALON'S

"VITALIA;"

or,

Salvation for the Hair.

For Restoring to Gray Hair its Original Color

PHALON'S "VITALIA" differs utterly from all the "dyes," "colorers," and "restorers" (?) in use. It acts on a totally different principle. It is limpid, fragrant, and perfectly innocuous, precipitates no muddy or flatulent matter, requires no shaking up, and communicates no stain to the skin or the linen. No paper curtain is necessary to conceal its turbid appearance, for the simple reason that it is not turbid. It is, to all intents and purposes, a NEW DISCOVERY in Toilet Chemistry.

PHALON'S "VITALIA" is warranted to effect a change in the color of the hair within 10 days after the first application, the direction being carefully observed.

IT IS AS CLEAR AS WATER!

AND HAS NO SEDIMENT.

Price, One Dollar per Box,

CONTAINING TWO BOTTLES.

SOLD BY ALL DRUGGISTS.

If your Druggist has not "Vitalia" on hand, write, enclosing \$1.00, and we will forward it immediately.
